## COUNTY AGENTS TO CONVENE FRIDAY

## DOLLAR DAY SET FOR MONDAY, NOVEMBER 5

### Shoppers Take Advantage Of Bargains Offered By Merchants

Bargains! Bargains! Bargains! will be offered by a number of merchants on dollar day, November 5.

The old dollar day tradition is paying off and the merchants over the city are realizing the advantages of advertising for this gigantic day.

People from all over the county as well as neighboring counties come to Cameron on dollar day to take advantage of these unusual bargains.

In the columns of the Cameron Herald, thrifty shoppers will find the outstanding and amazing bargains of the month. Since the beginning of dollar day some two months ago, merchants have cooperated fully in their efforts to make the day an outstanding

even in this locality. Come to Cameron Dollar Day for bargains like you've never seen before.

### 200 Reserved Seat Tickets Available For Cameron Fans

Approximately 200 reserved seat tickets will be available for Cameron fans for the Cameron-Belton game, Friday night, at Belton, it was announced by Morgan Layfield, principal.

These tickets will go on sale at 7:00 A. M., Thursday at the office of Superintendent W. T. Hanes, at the Yoe High School.

Mr. Layfield said that these seats will be located in section E on the Cameron side around the 40 yard line. They should be some choice seats, if you like the 40 yard line, and who doesn't?

First come, first served will be the policy used in selling the tickets, Layfield added. The price is \$1.00 tax included.

If all are not purchased at the school, the remainder will be on sale at the Athletic Field Thursday night when the "B" teams play.

Deadline for sale of tickets is Friday noon.

Telephone calls will be accepted Wednesday and Thursday morning but tickets purchased by phone must be picked up and paid for by 10 A. M., Thursday or they will be sold. Phone 22 or 1282.

Shown above is the thrilling climax to last Friday night's battle between the Cameron Yoemen and the Georgetown Eagles. At the left is Glenn Rosenberg about to snatch the ball out of the air as it passes barely over the fingertips of ace Eagle back, Frank Luska. The play ended inside the Eagle ten. The Yoemen scored on the next play with only one second left in the game.

### Milam County Women To Be Honored At SWTSTC Homecoming

Mrs. Herbert Bounds and Mary Stella Randolph of Cameron, and Mrs. Elaine J. Young of Buckholts are among the former students being honored at the Southwest Texas State Teachers College fiftieth anniversary homecoming on Nov. 5 to 10.

Graduating classes of 1911, '21, '31 and 1941 are being honored this year. Members of these classes will receive special recognition and free barbecue tickets Nov. 10, during the homecoming week's final day of activities.

Persons knowing the addresses of other graduates of these four years are requested to send that information to the SWTSTC Ex-Students' Association, San Marcos.

### Yoemen Edge By Eagles Friday 14-12; Final TD Came With 1 Second To Play

In the fading minutes of the fourth quarter Friday night, the Cameron Yoemen came from behind in a crucial battle to edge the Georgetown Eagles 14-12 before a homecoming crowd of some 5,000 persons.

Batte's sensational pass to Rosenberg for 47 yards, who fell on the Eagles 2 yard line brought all of the fans to their feet. On the first play from scrimmage, Lankford scampered around left end for the TD, with Rosenberg again converting for the extra point. The educated toe of Rosenberg's again played the stellar role for the Yoemen.

The first half was an even duel

with both teams putting up an excellent defensive battle. The fine kicking of both Batte and Luska, ace Eagle back, whose passing and running attack was some of the finest seen this season, he also did some beautiful punting.

The only Eagles scoring threat in the first half was Joe Moehring attempted a field goal from the 36 yard line, that fell short by inches.

As the second half got underway, the Yoemen took the kick-off and on three first downs and a penalty against the Eagles, moved down to the one foot line where Lankford fumbled and the Eagles recovered.

After an exchange of punts, Nathan Offield, Yoemen star end, intercepted Luska's pass intended for Marshall on the 29 yard, and headed for pay dirt for the initial Yoemen touchdown. Rosenberg's conversion was good.

The fourth quarter saw the Eagles going into the spread formation in an effort to shake the Yoemen defense. On the third down after the kick off the Yoemen fumbled on the Eagles 40. On the third Eagle play in this series of downs, Luska tossed the pigskin out into the open flat to Marshall, who traveled 45 yards down the side line for the second Eagle TD. Moehring again failed to kick the extra point.

After Batte passed to Rosenberg and Lankford's TD, the game was not quite over. On the kick off the Eagles lateral off four or five times before Marshall was finally downed at midfield for the last play of the game.

Both teams played good, clean football and supporters of both should be proud of their teams. This was one of the best games witnessed on the local field in several months. Both teams displayed fine sportsmanship.

Further increases in net farm income will likely have to come from added production and increased efficiency instead of higher prices, says Dr. T. R. Timm, Extension economist of Texas A&M College.

### S. S. Study Course. First Baptist Church Begins Monday Night

A Sunday School Study Course is scheduled to begin at the First Baptist Church Monday, October 29 through Friday, November 2, according to Richard Moseley, Sunday School Superintendent.

Classes will begin each evening at 7.

Rev. and Mrs. R. R. Lloyd will direct the study course. Teachers officers and class leaders should profit greatly by attending the course.

Rev. Lloyd has recently accepted the position as missionary of district fifteen. He was in district five prior to his new assignment. He will be here Sunday night and will preach at the evening service.

#### Cpl. Dick Kamenicky Completes Course At Fort Knox, Ky.

Cpl. Richard H. Kamenicky, son of Mr. and Mrs. Roman L. Marak, Route 2, Cameron, is one of the recent graduates of the Track Vehicle Mechanics Course at the Armored School at Fort Knox.

This specialized course trains the student in maintenance of tracked and wheeled vehicles. It consists of conferences, demonstrations, practical work, performance tests and written examinations.

#### Dr. James Watson Gives Report Of Presbytery Meeting

Rev. John C. Solomon and Dr. James Watson attended Central Texas Presbytery at Marlin recently.

Dr. Watson presented a report on the happenings of the Presbytery at the morning service, Sunday October 28.

Dr. Watson who has been an active elder of the Presbyterian Church for many years, was a delegate from the local church. He and Rev. Solomon were the only members who attended.

### World Community Program Details Announced By Chairman

Details of the program for World Community Day to be sponsored Friday, November 2, by the Cameron Council of Church women have been announced by Mrs. John B. Henderson, program chairman for the council.

The meeting is to be at First Presbyterian Church at 3 p. m., with Mrs. Stanley Swift in charge of the program which has as its theme, "Live Thy Faith." Clean used blankets or new blankets are to be given for the homeless at the meeting and the gifts will be dedicated.

Cash offerings for edumetrical scholarships may also be given at the meeting. Either baby blankets or those for single or full size beds are needed. They should be light weight.

Mrs. Hilliard Thomas will be at the organ for the music and Mrs. Mark C. Magers will lead the singing. She will sing a solo, "Lord, Speak To Me That I May Speak." Mrs. Wells Smith will give the devotional. A panel discussion on "The Building of Peace" is to be held by Mrs. W. O. Triggs and Mrs. Graham Gillis. They will stress three points especially, women of the world learning together, working together and worshipping together.

### Children's Federation Meets; Discusses Plans For Conference

Meeting of the Children's Federation was held in the office of the County Superintendent of Public School, Hinton Pruett, recently. Mrs. Ida Belle Lewis presided and the minutes were read.

Mrs. Josie Gibbs resigned as treasurer and Mrs. Sam Houston was elected to fill her place.

Harrison McLerran of Maysfield became a new member.

A survey of the children of Milam County was made and those that had been aided and new cases were given consideration.

Mrs. Julia Hillman suggested that those interested in doll heads make application for them.

An appeal for toys that can be reconditioned will be made later and these are to be used for the children that might be forgotten at Christmas time.

On November 13, the Area Conference will be held at A&M College at the Student Memorial Hall. The program will get underway at 10:00 A. M. A turkey dinner will be served at noon.

Hinton Pruett will speak on the subject, "The Child and the School." A large number from this district are being urged to attend the conference. At present Milam County has nine sponsored schools.

Those present at the meeting were: Mrs. Julia Hillman of Bryan; Mr. and Mrs. Albert Horstmann and children, Mrs. Lewis, Mr. Pruett, Mr. Werner, Mr. McLerran and Mrs. Dott Jester.

### Catholic Women To Meet In Taylor Saturday and Sunday.

The Austin Diocesan Council of the National Council of Catholic Church Women will hold their third annual convention in Taylor October 27-28, Mrs. J. T. Parma is publicity chairman of the Cameron district.

Mrs. W. M. Good of Waco, Diocesan president will preside.

The convention opens Saturday with holy mass at 8 A. M. Opening session will be at 10:45 A. M., with the theme, "The Catholic Women in the Lay Apostolate."

A luncheon will be held at noon, as well as an address on "Catholic Women and Art of Leadership" by Mrs. M. W. Carrio of San Antonio, president, Archdiocesan Council of Catholic Women.

The Sunday session opens with solemn high mass, "For the Welfare of the Diocese." A general session is scheduled at 10:00 A. M., with Mrs. Good presiding.

Sunday afternoon Mrs. Enrico Liberto's talk will develop the theme of the convention and with a procession in honor of the Feast of Christ the King at 4 P. M., after which the convent will adjourn.

L. J. Reicher, bishop of Austin will be honored with a supper in the Parish Hall.

J. H. Kultgen of Waco will be the principal speaker and use as his subject, "A Child Grows Up."

Those planning to attend from Cameron are: Mrs. David Shapiro, Mrs. August G. Kunz, George Duda, moderator, Cameron district, Mrs. Pete Mikala, Mrs. B. J. Mattocha, Mrs. Frank Hanel, Mrs. J. J. Mattocha, Mrs. B. J. Mattocha, and Mrs. Willie Mees.

A sum of \$1,500,000 for CARE package aid to Korea is the goal of a country-wide campaign to be conducted by the General Federation of Women's Clubs November 12 through Thanksgiving Day, November 22.

## CAMERA TOPICS

By T. T. Holden\*

Material for original pictures lies all around you, as evidenced by this Honor Award winner from the Greater Photo Contest by Russell McCoy. It is much more fun to take this kind of picture than to be content copying other peoples.

### DON'T BE A COPY CAT

There is a certain view of New York's skyline which must have been the subject for tens of thousands of photographs. Every amateur camera fan interested in photographing the city eventually finds the spot from which this picture was taken and proceeds to shoot a duplicate.

Too many amateurs are afflicted with this desire to copy other people's pictures. They will see a fine photograph in a magazine and immediately set out to imitate it. At camera clubs and lectures they wait until an expert has set up all the elements of a good picture and then content themselves with shooting away at his pose, his lighting, and his composition. There is too much copy cat picture-making, as a glance at the entries in any salon or contest will attest, and much too little original thinking shown by today's amateur photographers.

No, it is not against the law to imitate better photographers for your own pleasure. But it also is not a good way to improve your own creative ability, and the results cannot possibly give you the same satisfaction you will get

from your own original work. When you find a book you like, you wouldn't waste the time and effort to sit down and copy it word for word. Yet copying other people's pictures is just about the same thing.

Study the expert's pictures all you like. It is an excellent way to learn lighting and composition. Try to improve on their efforts by handling the same material differently. Experiment all you wish, but don't be content to be a copy cat.

If you concentrate upon original treatments of original subjects, you will find you will make few pictures, but spend most of your time looking for them. This is as it should be. The more time and thought you put into finding a picture subject, the better your chances of making the kind of photograph you will be really proud to show as your work. Photographers who spend all their time snapping away at subjects too often are so busy with the mechanics of picture-making that they don't bother to put the thought into their work which is the only way yet discovered to make really fine pictures.

### "Fair and Square"

We've just had a political campaign with everything from a torch-light parade to a neck-and-neck ballot box race.

Rusty Robinson, with no campaign funds, planned his Election Eve speech for the Square. Slim McCormick, who owns the Palace movie house, was finishing up his campaign in Pioneer Hall.

Then it began to rain. Rusty's political career was fizzling out in the damp when Slim showed up to say that Robinson people could meet in his theatre—for nothing. "I want to beat Rusty," Slim said,

"but certainly not with rain!"

From where I sit, you've got to give Slim credit for acting on his belief that everyone has a right to be heard—just as everyone has a right to his own opinions and tastes. Maybe you like hot coffee, for instance, when you "take a break." Well, my vote goes for a refreshing glass of beer. After all, we're lucky to be living in a free country where we can have our own preferences!

## Milam County HD Council Meets; New Buckholts Club Organized

The Milam County Home Demonstration Council met October 22 at 2 P. M., in the District Court room in Cameron.

House was called to order by Mrs. George Young council chairman. The club prayer was repeated. Roll call by Mrs. V. L. Angell, council secretary.

Two new council members introduced by Mrs. Theo. Fuchs were Mrs. R. L. Zedlitz, president of the new Buckholts H. D. Club and Mrs. Clarence Raney, council delegate from the Buckholts club.

The minutes of the last council meeting was read by the secretary. Ladies were asked to bring their lunches to the Upholstery Training School to be held at the Minerva Community Center, October 30, 31 from 9 a. m. to 4 p. m.

All new club presidents are asked to name new committee chairmen and members as soon as possible as the new group will be prepared to start at the first of the year.

Mrs. R. O. Curry, THDA Chairman, reported on information from Mrs. Mills, district vice-president, on the need of getting Christmas packages for the State Hospital in the mail in time to arrive by December 15. Members are asked to wrap gifts nicely and tag as to contents and wards designated (Ward J, H or G). Give the size and type of article to help in distribution.

It was reported that Mrs. Mills is out of reading certificates and awards, but will mail Milam County theirs as soon as they are available.

Council officers for 1952 are as follows: Mrs. George Young, council chairman; Mrs. T. T. Cooke, vice chairman; Mrs. V. L. Angell, secretary; Mrs. Graham Young, treasurer; Mrs. F. R. Doss, reporter; and Mrs. Lewis Modesette, parliamentarian.

The exhibit committee reported that the United Nations Day posters have been distributed to the various communities to be displayed during this week.

Due to difficulty in getting some one to give a book review in the afternoon, the group voted to cancel plans for a Silver Tea and book review and have a county wide

Family Night Christmas Party in Cameron December 15.

The council treasurer reported a balance of \$160.91 in the treasure and gave a complete report of the year's expenses. The report was approved as given.

Mrs. Ida Belle Lewis, from the County Superintendent's office, gave a report on the need for help for needy children in Milam county. Most of the women expressed an interest in helping with making the 55 dolls that Mrs. Lewis said were due to be made up by December 15. The doll heads are 20 cents each, cotton and pattern for the bodies are furnished. Women will use their personal ideas and material scraps to dress the dolls.

The women of the county have met with the bedroom demonstrators in most of the clubs and have seen her improvements, and discussed plans for further improvements.

Exhibits on materials and upholstery techniques have been shown in preparation for the upholstery work to be done in November.

A new Home Demonstration Club has been organized at Buckholts this month and a new girl's 4-H Club at Maysfield.

## Tax Increase On Cigarettes Becomes Effective November 1

Collector Frank Schofield of the First Texas District issued a statement today calling attention of manufacturers and importers of, and wholesale and retail dealers in, small cigarettes (including the standard and so-called "King" sizes), to the fact that the Revenue Act of 1951 provides for an increase in the rate of the Federal tax on small cigarettes from \$3.50 to \$4.00 per thousand, effective November 1, 1951. The Act also imposes a floor stock tax of fifty cents per thousand, (equal to 1 cent on each standard package of twenty) on all stamped (tax paid) small cigarettes held by manufacturers, importers, dealers, and other persons, for sale at the first moment of November 1, the day on which the increase becomes effective.

**WORLD'S LARGEST LIVING SIGN!** After 13 years, the scene pictured above has become a familiar sight to air travelers over northern Indiana. Occupying an area 250 feet high by one-half mile in length, the 3200 pine trees spelling the name have now reached an average height of 20 feet. Seven rows of trees planted 6 feet apart form the letters. The huge sign is located 10 miles west of South Bend, Indiana on Studebaker's 800-acre proving ground, where the new 120-horsepower Studebaker V-8 engine was tested for hundreds of thousands of miles.

## Ex Milam Resident Dies Friday A. M. In New Orleans

J. B. Mayes, died suddenly of a heart attack in New Orleans, La., early Friday morning, October 26.

Mr. Mayes had been employed for some time at New Orleans and his many friends over the county were shocked to learn of his death.

He was a member of a well known and prominent Milam County family, born and reared in the Maysfield community. He is a brother of Miss Nell Mayes, Mrs. Homer Peel and Mrs. Albert Triggs, Jr., of Cameron.

Funeral services were scheduled for some time Sunday with Marek-Burns Funeral Home directing the arrangements.

Friends of Mrs. Lula Rogers will be glad to know she is improving and able to be up after an operation at St. Edward Hospital.

## Cameron Official Census Shows 5,052

Final census figures for Texas released Thursday put Cameron's official 1950 population at 5,052.

This and other figures released by Roy V. Peel, director of the Bureau of Census, are the "final official" ones, which means that preliminary reports have been checked and adjusted in the Washington, D. C., offices.

Also reported are these final figures for other Central Texas cities:

Temple, 25,467.  
Killeen, 7,045.  
Belton, 6,246.

County figures (final in this area are: Milam, 23,585; Bell, 73,824; Lampasas, 9,929; Williamson, 38,853; Falls, 26,724; McLennan, 139,194; Coryell, 16,284.

Mr. and Mrs. Charlie Horlica and Mr. and Mrs. Johnny Spick and daughter, Marie attended the Fayette County Fair at LaGrange recently. They also attended the Fair in Lee County at Giddings on October 13.

## God's Living Letters

By KIRBY PAGE

A deaf man composed the world's noblest music. It has been said of Ludwig von Beethoven that "his colossal genius has never been equaled in the world of music." Yet all his greatest works were produced after his hearing was entirely gone.

His musical talent was inherited. From an early age he was forced by his father to practice long hours daily on the piano and the violin. At fourteen he had achieved renown as a performer and as a composer. By his twenty-fifth year he had composed three hundred works. He was to die at the early age of fifty-six, yet so stupendous was his output that his complete works fill thirty-eight volumes.

Few men have ever concentrated so massively as Beethoven did upon his compositions. He would shut himself off from the outside world for weeks at a time. Much of his best work was done in the open forests near Vienna. Sometimes in his room he

## The Cameron Herald

Thursday, November 1, 1951

worked as if in a trance, oblivious of everything except his musical ideas.

Many musical critics consider fo all symphonies. When it was first performed in Vienna in 1824, its composer had been deaf for more than a quarter of a century. At the conclusion of the final chorus, the whole house rocked with wild applause. Every body joined in the jubilation, that is everybody except the composer.

Beethoven was seen with his back to the audience, eyes intent upon his score too deaf to hear even the prolonged acclaim.

In his ascent to the pinnacle Beethoven climbed over many formidable barriers. His father was a drunkard, his mother died early, his own health was wretched, he was cursed with a terrible temper, he worried constantly about money. But his immortal music will enrich all the generations yet to be born.

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

# END THIS QUIBBLING!

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employees and the railroads.

**More Than 90% of Employees Accept**  
Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employees—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

**Less Than 10% Refuse**  
But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employees. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen. What makes the whole situation so hard to understand is that these 140,000 operating employees are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

**What Do the Railroads Offer?**  
They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the

principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

### What About Wages?

Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of \$.34 an hour (\$2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour (\$1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

### What About "Cost of Living" Increases?

The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employees covered by signed agreements.

### What About the 40-Hour Week?

The White House Agreement calls for the establishment of the 40-hour week in principle, for employees in yard service. The employees can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

### What Else Do the Union Leaders Demand?

The continued quibbling of the leaders of the three unions has to do principally with

rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—runs which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse.

### Rules Can Be Arbitrated

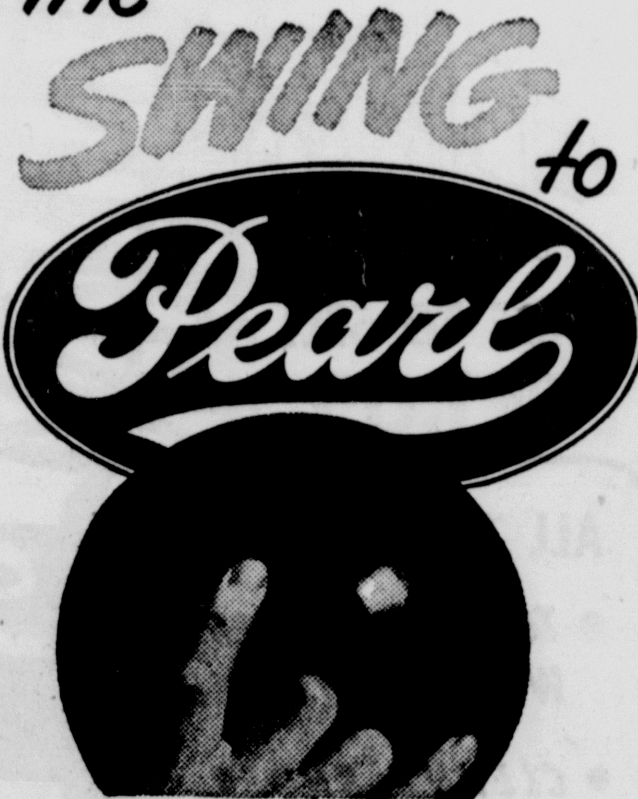

The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

### The Industry Pattern Is Fixed

With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employees.

## Miss Marie Brod, Samuel Brewer Married In Church Ceremony

Miss Marie Henrieta Brod, daughter of Ernest Lee Brod became the bride of Samuel Stephen Brewer, at 5 P. M., Sunday, October 21, at the First Methodist Church.

Dr. Mark Magers minister, read the impressive ceremony.

Preceding the ceremony, Mrs. H. S. Thomas played softly on the organ several nuptial selections. Mrs. Mark Magers sang Grieg's, "I Love Thee," and "The Lord's Prayer," by Malotte.

The bride, given in marriage by her father, was gown in a white satin wedding formal fashioned with a sweetheart neckline accentuated with seed pearls. The unique bodice designed in bridal fashion came to a point in the back from which the train fell. The sleeves came to a point at the wrist. The tiara from which the fingertip veil of illusion fell was complimented with clusters of orange blossoms at the crown. She carried on orchid with lace and satin streamers knotted with tiny pom pom mums that topped a testament, belonging to the mother of the bride. She wore a lovely strand of pearls, gift of the groom.

Edwin Brod and William Howard of Waco served as ushers.

The well known couple left immediately for a wedding trip. The bride chose as her going away attire, a two-piece purple taffeta frock with pink hat and grey accessories and an orchid corsage.

The bride is employed at the Dusek Pharmacy, and is well

known in Cameron.

The groom, a member of a prominent Milam County family has engaged in farming and cattle raising for a number of years.

## Bride-Elect Honored With Showers

Miss Marie Litzman, bride-elect of Bronson Fitzgerald, was recently honored with a shower at the home of Mrs. Jerome Schiller.

Mrs. James Litzman, Mrs. H. Litzman and Mrs. Schiller were hostesses for the occasion. The home was attractively decorated with white mums.

Mrs. Joyce Provasek, presiding at the bride's book, registered over 50 guests. A number of spirited games were used for diversion.

A unique arrangement of an umbrella was presented to the honoree, filled with gifts. Colors of red, white and blue was carried in the color motif.

The dining table held military formation design. After the game formalities and opening of gifts, refreshments of sandwiches, pickles, mints, potato chips and punch was served with cherry nut cake. The honoree thanked each one for their nice gift.

Mrs. Bill Alex Bonds, who is employed in Houston spent the past week end at her home here.

## Yoelets Defeated By Eagles 20-0

The Yoelets were defeated by a score of 20-0 Thursday night by the Georgetown Eagles at Georgetown.

The game was played on a muddy field. The Yoelets twice fumbled deep in their territory and the Eagles put on two TD drives due on their penetrations.

The Cameron team played a good game but were never able to score on their penetrations.

Mr. and Mrs. Niley Smith, Sr., and Mrs. Gene Blake returned Friday from a meeting of the Grand Chapter of the Easter Star of Texas in San Antonio this week. Mrs. Blake was a delegate from the local chapter.

The name of CARE (Cooperative for American Remittances to Europe, Inc.) was given a permanent place in Vienna, Austria, when the city bestowed it on a new municipal nursery and kindergarten.

## Texas Parents Are Unaware Of Child's School Conditions

AUSTIN, Texas, October 23.—Although classroom construction is an important factor affecting the health of school children, more than half of the parents of school-age children in the Southwest area, including Texas, are poorly informed as to conditions existing in their own child's school room.

For example, in a nationwide study made for the Minneapolis-Honeywell Regulator Company by independent research organizations, it was found that only 39.5 per cent of the parents in this region were familiar with local school temperature conditions. A majority of these thought heating conditions were all right. Only a small number, some 11.9 per cent, indicated lack of satisfaction.

## Schools Over County Receive USDA Foods

Schools in this area of the state are receiving about eight carlots of food from U. S. Department of Agriculture's Production and Marketing Administration to use in their community school lunch program.

This announcement was made today by Hinton H. Pruett, County Superintendent, Milam County School Board, Cameron, who makes distribution to 10 counties, including Bell, Brazos, Burleson, Lee, Grimes, Madison, Milam, Robertson and Washington.

Quantities, in pounds, consist of: canned peaches, 39,759; cheese, 22,140; canned tomatoes, 31,962; dry beans 22,500; canned snap beans, 13,965; canned sour cherries, 18,000; tomato puree, 30,387; dry milk, 38,400; honey, 15,420; orange juice, 12,276; peanut butter, 10,133; canned peas, 9,800; and apples, 3 carloads.

Dry milk, honey and orange juice were purchased by PMA under price support and surplus removal programs. The other foods were purchased by the Secretary of Agriculture from National School Lunch funds set aside for the purchase of foods which increase the nutritional quality of the lunches.

"Wise use of these foods by local sponsors will help keep lunch costs lower so more school children can take part in the program," Mr. Pruett explained.

Visiting in the home of Mr. and Mrs. F. J. Posival of Liberty over the week end were Cpl. and Mrs. Oscar Oliver of Virginia; Melvin Posival and H. E. Shafer of Alta Loma and Willie Roschetzky of Waco, Eddie Joe Posival of Dallas.

## 87 Yoe High Exes Register At Homecoming Reception Friday

Approximately 150 persons attended the reception of the Homecoming of the Yoe High Exes Friday night in the Homemaking rooms at the Vocational Building at the Yoe High, according to Mrs. C. L. Canady, sponsor of the senior class.

Mrs. Canady announced that 87 Yoe High Exes registered for the evening. The homecoming was sponsored by the Senior Class. Preparations for the event were arranged by the Homemaking department under the direction of Mrs. W. T. Whatley, Jr., instructor.

The coffee tables, attractively decorated in the Maroon and Gray color scheme held unique football arrangement as a centerpiece. The long cathedral candles in silver holders were also used.

Members of the senior class and Homemaking class served. Members of the Yoe High faculty were in the house party.

There was much joy in the atmosphere after the game since the Yoemen defeated the Eagles in the always a happy occasion for all Exes and the Senior class are to be commended for their efforts in making the reception possible.

In former years a big get-together and dance informal was held in the gymnasium. Some students have expressed their desire to have a big homecoming every five years and put on the 'dog' as in the good ole days.

The faculty along with the students deserve considerable credit in making these homecomings possible.

Mrs. Lucy Clifton had her children home for the week end which included Mr. and Mrs. C. L. Millinax, and son, Layne of Houston, Mr. and Mrs. H. T. Clifton of Rosebud and Grady Clifton of Cameron.

Mr. and Mrs. Frank Wiggs of Killeen spent the week end in Cameron with friends. They formerly lived here and have many friends who welcomed their visit.

## One Cent Tax Per Pack For Smokers Rev. Collector Announces

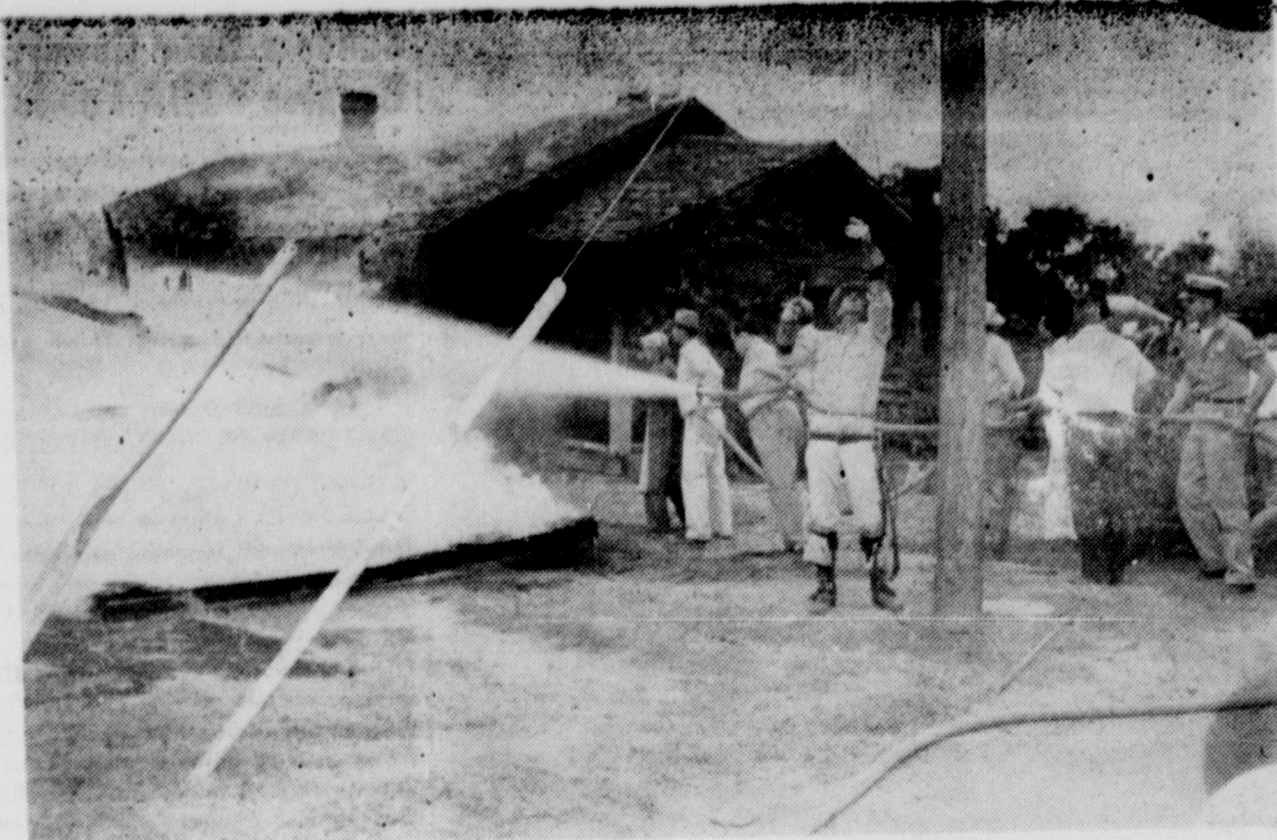

Frank Schofield, Collector of Internal Revenue for the First Texas District today reminded all manufacturers, importers, distributors and retail dealers in distilled spirits, wines and fermented malt liquors that the Revenue Act of 1951, which becomes effective on November 1, 1951, provides for an increase in the Federal tax on all alcoholic beverages.

Mr. Schofield stated that it would be necessary for each firm or person having an alcoholic beverage on hand for sale to take an actual inventory of all liquors, wines and fermented malt liquors as of the beginning of business November 1, 1951, and pay a floor stocks tax on the alcoholic beverages as provided for in the Revenue Act of 1951.

Collector Schofield stated that his office is now engaged in mailing floor stocks tax returns a inventory forms to all dealers in distilled spirits, wines and fermented malt liquors who hold special tax stamps issued by his office. Collector Schofield advised, however, that any dealer who fails to receive the inventory forms prior to the beginning of business November 1, 1951, should nevertheless take his inventory in order that he can file a correct return when he obtains his forms.

The act provides that a complete and correct floor stocks tax return be filed with the Collector of Internal Revenue on or before December 31, 1951. The floor stocks tax return, Form 758, can be obtained from the Collector of Internal Revenue in Austin, Texas. If any dealer needs additional copies of the inventory forms for distilled spirits, wines or fermented malt liquors, he should secure them from his distributor or wholesaler.

The queen race is still in full swing with the following candidates in the contest: Irene Reyes, leading, Mary Eichinger, second; Bobbie Weather, third place; Nancy Ruth Cobb, fourth place, Lois Jane Eichinger fifth and Daisy Henderson, sixth.

## New Law Governing Gasoline Tax Effective Thursday

Frank Schofield, Collector of Internal Revenue for the First Texas District today issued a statement that the Revenue Act of 1951 provides for an increase in the Federal tax on gasoline to become effective November 1, 1951.

The act also provides that a floor stock tax return and inventory must be filed and tax paid thereon by all dealers in gasoline, except by retail dealers who have gasoline in retail stocks held only at the place where it is intended to be sold at retail.

Collector Schofield stressed the necessity of each dealer in gasoline except the exempt retail as described above, of taking an actual inventory of the gasoline being held for sale as of the beginning business November 1, 1951, in order that he may be able to file a correct floor stocks tax return and inventory on forms which have not as yet been made available for distribution but which will be placed in the hands of all dealers as soon as received.

The act provides that the floor stocks tax returns and inventory be filed on or before December 31, 1951. If any dealer in gasoline, does not receive his forms by December 1, 1951, he should make requisition for the necessary stock forms to the Collector of Internal Revenue at Austin.

The Philippine Islands are experiencing a steep inflationary swing of prices not only for food, but also for clothing and other commodities, CARE Mission personnel report from Manila. The contents of a CARE Far East cotton package, which a donor in the U. S. may send for \$7 through CARE, would cost P41.20, or \$20.60, on the Philippine market.

The 1951 contest is now nearing its climax.

## More Than 1,000 Farmers Issued Orders For Winter Legumes

The Milam County PMA through its Agricultural Conservation Program has issued Prior Approvals and Purchase Orders to over a thousand farmers in Milam County for the purpose of planting winter legumes this fall. This means that nearly one third of all the farmers in the county have planted or will plant legumes this fall. This is an increase in number of farmers using legumes over any previous year, and no doubt many more will carry out this important practice before the deadline date for planting legumes.

The need to protect and rebuild our soil, as well as increase production of food and fibre for our defense effort is the objective of the Agricultural Conservation Program. Through the efforts of this

program in the past few years, many Milam County farmers are realizing the need of soil and water conservation practices, and are doing something about it.

Those farmers who have not carried out a legume practice this fall are urged to get their legume seed now before it is too late to plant. Financial assistance for this practice is still available through your PMA.

## Home Planning Committee Lists Entry Rules; Prizes Scheduled

At a meeting of the Planning Committee for the Annual Home Decoration Contest, sponsored by the Cameron merchants with the cooperation of the Business and Professional Women's Club, Junior Chamber of Commerce and Senior Chamber of Commerce, the following rules were adopted for the 1951 contest:

1. Decorations must be outside decorations, or visible from the outside.
  2. Must be set up around home or yard.
  3. Must be lighted so as to be visible at night.
- These are very simple rules and there is no limit to the variety of things that one can use to create a distinctive and most attractive arrangement.
- The prizes this year will be \$15 for first; \$10 for second; \$7.50 for third and fourth, fifth and sixth place prizes, \$5.00 each. Anyone is eligible to win one of these prizes.

Arrangements will be scored by the judges as follows:

1. Originality ..... 30 per cent.
2. Lighting effect .... 20 per cent
3. Arrangement ..... 30 per cent
4. Color ..... 20 per cent.

Anyone in Cameron and in Cameron proper is urged to enter this contest. Entries must be made not later than December 15th by calling Phone 712. Just call in your name and street address of the house you plan to decorate.

Clubs are urged to enter the contest too, by decorating the home of one of its members and entering the contest in the name of the club, thereby standing a chance of winning a nice prize for the club treasury.

## Rockdale Defers Action On Critical Area Designation

Rockdale, Oct. 31.—No action on declaring this growing city a critical area for housing or defense will be taken until the Alcoa plant is in production, interested citizens were told at a meeting with officials here Tuesday night.

Editor of the Rockdale Reporter, W. H. Cooke, said a dozen government officials were at the meeting and answered questions of the citizens. "Nothing can happen until the plant goes into production," was the consensus of the meeting, Mr. Cooke said.

The officials advised Rockdale citizens it would be wise to wait for developments rather than petitioning for or against any government action.

No one in Rockdale is pushing either for or against a declaration of critical defense or rent area, Mr. Cooke said.

Declaration of the area as critical from the defense standpoint would mean government approval for additional residential building with a relaxation of credit restrictions. The rental declaration, of course would mean the establishment of rent ceiling prices.

## Better Care For Ben Milam Urged

Better care for such Texas Centennial projects as the Statue of Ben Milam at Cameron and the monument of Peter H. Bell, the two Texas heroes whom the two counties were named after, was urged in a report by State Auditor, C. H. Cavness.

Reporting on an audit of Texas Centennial commission funds, Cavness recommended establishment of adequate records on all property purchased out of centennial funds, periodic physical inventories of the property and more adequate supervision over its maintenance. The responsibility lies with the State Board of Control.

The statue of Ben Milam cost \$13,525 and the Bell monument, \$7,356, erected out of federal funds.

## How To Remedy "Fish Pan Hands"

College Station, November 31.—Fish sometimes loses its popularity in the American home because the odor remains in the kitchen long after it has been eaten. Frances Reasonover, food and nutrition specialist with the Texas Agricultural Extension Service, has these tips for conquering that fishy odor.

Rinse hands in cold water before touching the fish.

Afterwards, wash hands with hot water and salt. Soap won't do the job, the specialist warns.

Fishy odors can be removed from frying pans and dishes by soaking them in hot water and salt. Apply no soap until the salt has had a chance to do its work.

## Three Additional Appeal Boards For State Of Texas

Three additional appeal boards have been added to Selective Service in Texas, Brig. Gen. Paul L. Wakefield, state draft director, announced today.

The new appeal boards are located at Houston, San Angelo and Tyler. The old Texas appeal board at Austin, in existence since 1948, has been retained. The new appeal boards were set up in compliance with Section 10 of the Universal Military Training and Service Act.

"This provision of law directs that an appeal board be set up in each federal judicial district," General Wakefield commented. "Each appeal board is required to have a member each from industry and labor, one physician, one lawyer, and where applicable, one member from agriculture."

"It is my understanding that the purpose for the amendment to the law was to make sure that every registrant should have an opportunity to have his appeal heard by an appeal board within the federal judicial district in which he resides."

The Austin appeal board will serve the Western Federal Judicial District of Texas, the Houston board the Southern district, the San Angelo board the Northern District, and the Tyler board the Eastern District.

Members of the appeal board were appointed by President Truman after recommendation by Governor Allan Shivers, as required by law.

Members of the board are as follows:

Houston: T. J. Arnold, chairman; George A. Wilson, vice-chairman; Dr. Henry R. Maresh, secretary. E. J. Mosher, all of Houston; and G. W. Liestman of Alice.

Tyler: Ben F. Johnson, chairman; Gordon N. Gray, secretary; Harry Dickson; W. B. McGinnery; and Dr. E. D. Rice, all of Tyler.

San Angelo: E. E. Murphy, chairman; W. B. Grseclose, secretary; Marion H. Badger; Dr. D. D. Wall; and J. C. Woodul, all of San Angelo.

Austin: Horace Shelton, chairman; D. T. Gilliland, secretary; T. J. Butler; Dr. Raleigh R. Ross, all of Austin; and J. H. Johnson of Del Valle.

The boards are created to permit draft registrants to appeal from classification decisions of local boards. Registrants must appeal within 10 days from the mailing of a notice of classification.

## Homemakers Class Will Observe National FHA Week

Next week is National Future Homemakers Week. The Future Homemakers class at Yoe High are scheduled for a busy week, according to Frances Vogelsang, reporter.

Each member of the chapter will participate in some type of FHA work.

The chapter has mapped out the following plan for the week:

Sunday, attend church and if possible take part on a program.

Monday, be a better school citizen by helping keep the school clean.

Tuesday, have initiation party

for first year homemakers and invited mothers.

Wednesday, all FHA members wear white blouses, red ties and FHA emblems.

Thursday, be in an assembly program for the school program which will be held in the form of a style show.

Friday, give a special competitive yell at the pep rally on Friday morning before the Rosebud game.

Through these plans for Future Homemakers Week, the class hopes to have one of the best weeks in the history of the homemakers.

Mr. and Mrs. Henry Dutlicka of Freeport visited near Buckholts over the weekend.

Henry Lippman attended the football game at College Station Saturday. His nephew, Glenn Lippman plays left halfback for the Aggies.

Sansom of Baylor. Tuition to the classe is free, with credit being given by the Southwestern Baptist Theological Seminary. Books may be purchased for half price, the other half being paid by the Missions to Minorities department of the Texas Baptist convention. The teachers, Dr. E. L. Dwyer and Dr. Sansom, are members of the religion department at Baylor.

**New Weed Killer  
Proves Successful  
In Every State**

A new non-selective chemical weed killer which "erases" dense growths of mixed grasses and the broad leaf-weeds, leaving only an expanse of bare soil, has been developed through Du Pont Company research, it was announced this week. Known as CMU, short for 3-(p-chlorophenyl), 1-dimethylurea, the chemical has undergone extensive tests under a wide range of field conditions during the past year. In addition to Du Pont tests, more than 150 investigators have evaluated the compound in every state of the nation, as well as in Canada, Hawaii, Alaska, Puerto Rico, Honduras and Colombia. CMU appears to be absorbed into the root system of the plant, then moves upward into the foliage. First effects are usually noticed from three to ten days after treatment, depending on the species sprayed. Tips of leaves begin to die, there is general discoloration of foliage, plant growth slows to a stop, and the plant dies.

## IF POLIO COMES

DO allow children to play with friends they have been with right along. Keep them away from new people, especially in the close daily living of a home.

DO wash hands carefully before eating and always after using the toilet—especially important when polio is around. Also keep food clean and covered.

DO watch signs of sickness, such as headache, fever, sore throat, upset stomach, sore muscles, stiff neck or back, extreme tiredness or nervousness, trouble in breathing or swallowing.

DO put a sick person to bed at once, away from others, and call the doctor. Quick action may lessen crippling.

DO telephone your local chapter of the National Foundation for Infantile Paralysis, if you need help. Locate through telephone book or health department. No patient need go without care for lack of money. Your chapter will pay what you cannot afford.

DO remember—at least half of all polio patients get well without any crippling.

## Safety Dept. Shows Truck Law Violations Increase In Past Year

AUSTIN, October 29.—To help stem the tide of Texas' rapidly depleting highway and road funds, more than 21,000 truck operators paid over one million dollars into the state road coffers last year.

The payments were not voluntary contributions, but represented \$1,071,387 paid in fines and additional truck license and registration fees as a result of the arrest of 21,577 truck drivers caught violating the highway laws.

These startling figures came to light in the annual report released last week by Kent Odom, Chief of the License and Weight Divisions of the Department of Public Safety.

The report covers the fiscal year ending August 31st, this year. This arm of the Public Safety Department was composed of only 33 men, who are charged with protecting more than 39,000 miles in the state highway system from being

pounded to pieces by overloaded trucks.

Truck law violations on Texas highways are on the increase. The report shows 3,747 more truckers were found guilty and paid fines than in the previous year.

In winning the championship last year Texas had only two runs from scrimmage that measured more than 30 yards. In five games this year there have been eight, three of which were good for touchdowns.

A. D. Lagrone spent a short visit with his parents in Milano Saturday night, after which he made a business trip to Belton.

## Star Recipes

As Told to Betty Blake

Though **FRANKIE THOMAS** (who plays the title role in "Tom Corbett, Space Cadet," 24th century science fiction adventure story over ABC-TV) is not a Bostonian by birth, he favors New England food. And one of his favorite menus is the popular Brown Bread-Baked Bean supper. "But," says Frankie, "to suit my taste the bread must be home-made and served warm and moist the way my mother does it." Here is her recipe:

#### MOLASSES BRAN BROWN BREAD

1 cup ready-to-eat bran  
1/2 cup seedless raisins  
2 tablespoons shortening  
1/2 cup New Orleans molasses  
1/4 cup hot water  
1 egg  
1 cup sifted flour  
1 teaspoon baking soda  
1/2 teaspoon salt  
1/2 teaspoon cinnamon (if desired)

Measure bran, raisins, shortening and molasses into mixing bowl. Add hot water, stirring until shortening is melted. Add egg and beat well. Sift together flour, soda, salt, and cinnamon; add to bran mixture. Stir only until combined. Fill 2 greased cans (baked bean cans, 4 1/2 inches deep, 2 3/4 inches across) about 3/4 full; or spread in greased loaf pan (9 1/2 x 4 1/2 inches). Bake in moderate oven (350° F.) about 45 minutes for canned bread or about 35 minutes for loaf bread. Remove from cans or pan, slice and serve hot.

Yield: 2 loaves, 4 1/2 x 2 3/4 inches, or 1 loaf, 9 1/2 x 4 1/2 inches. **K**

## LITTLE CHILDREN TO APPEAR ON METHODIST HOME RADIO SHOW

This representative group of nursery-age children from the Methodist Home, Waco, Texas, are awaiting their turn to take part in a radio show, "These Are Your Children," which will be heard over Texas Quality Network and other Texas and New Mexico stations, Sunday, November 4. Program time on all stations is 8:15 A.M., according to Hubert Johnson, Methodist Home superintendent.

The theme of the November 4 broadcast will be the story of one of the girls at the Home from the time she entered in early childhood until her graduation 14 years later. This is one in a weekly series depicting various activities and true life stories of the more than 400 boys and girls who live at the Methodist Home.

The Methodist Home, founded in 1890 by the Methodist Conference, will celebrate its sixty-first anniversary during November. It is supported entirely by voluntary contributions from members of the Methodist Church and other friends in New Mexico and Texas. More than 6000 boys and girls have graduated into a successful adult life during the 61 years.

The radio series is heard each Sunday morning over WOAI, San Antonio; KPRC, Houston; WFAA, Dallas; KBST, Big Spring; KTVG, Austin; KERD, Kermit; KVAL, Brownsville; KPRO, Longview; KFDM, Beaumont; KFYO, Lubbock; KGGM, Albuquerque; KROD, El Paso; KGNC, Amarillo; KBOV, Weslaco; and KRIS, Corpus Christi.

## Delphian Club To Present Waco Visitor In Book Review Here

Cameron Delphian Club and other local club women will gather at Cameron Country Club on Tuesday afternoon, November 6, at 3:30 p. m., for a book review to be given by a talented visitor from Waco.

Mrs. Harold Barnard who gives from one to five reviews a week for Waco audiences, is in great demand by Central Texas groups.

Delphian hostesses for the event will be the president, Mrs. Ben F. Reichert, and Mesdames A. W. McCullin, R. I. Goodrich, W. A. Robinson and S. W. Gaines.

The various women's study clubs and garden clubs have been invited to attend the meeting.

Mrs. Barnard will review the book, "The Scandalous Mrs. Blackford," which is a true story of diplomatic intrigue and the wiles of a beautiful woman abroad.

## Hallettsville Rotarian Address Local Club At Wed. Luncheon

Rotary Clubs in 83 countries throughout the world are united in endeavor to promote international understanding good will and peace. That was the message of Eli Rubin of Hallettsville, Governor of District 187 of Rotary International, in addressing the Rotary Club of Cameron, Wednesday, following a conference with local Rotary officers, directors and committee chairmen.

In addition to the activities of Rotary's 7,300 Clubs in their own communities to promote this objective, Mr. Rubin explained over a six-year period Rotary International is spending \$1,500,000, principally to create better understanding among the peoples of different nations.

"Devoted to service, Rotary provides a common group for 350,000 business and professional executives throughout the world, regardless of nationality or political or religious belief," the Rotary District Governor emphasized.

## W. H. Lawrence Goes To Fashion Market In Dallas This Week

W. H. Lawrence, owner of the Specialty Shop and fashion buyer of Cameron, attended the American Fashion Associated Spring and Summer Market in Dallas.

Some 5,000 women's apparel merchants filled all of the Dallas hotels to capacity for the market, October 28 to November 2.

According to A. H. Ellington, president of American Fashions, merchants came from 17 states to witness the advance new Spring and Summer lines.

Besides the style show, 400 separate displays were set up in the show rooms of three Dallas hotels. Merchants could see the fashions first hand during the market.

## New Tax Law On Distilled Spirits Effective November 1

Collector of Internal Revenue for the First Texas District, Frank Schofield, today, issued a statement calling the attention of all importers of, and wholesale and retail dealer in small cigarettes, called king sized cigarettes and to the fact that the Revenue Act of 1951 provides for an increase in the rate of Federal Tax on these cigarettes.

The Revenue Act of 1951 also imposes a floor stock tax of fifty cents per thousand, equal to one cent on each package of twenty cigarette, held by manufacturers, importers, dealers and other persons, for sale at first moment of November 1, 1951, on which date the increase become effective.

Collector Schofield stressed the importance and necessity of each firm or person holding cigarettes for sale of taking an actual inventory of the stock on hand as of the beginning of business November 1, 1951, in order to prepare and file with the Collector of Internal Revenue a floor stocks tax

return and inventory covering the tax due.

The floor stocks tax return and inventory forms have not as yet been received in the Collector's Office for distribution. It is expected that Collector Schofield will receive these forms at an early date, however, it is still necessary that the inventory be taken as of the beginning of business November 1, 1951, in order that a correct return and inventory can be submitted when the forms are distributed.

The Revenue Act of 1951 requires that a complete and accurate floor stocks tax return be filed and tax paid to the Collector of Internal Revenue on or before December 31, 1951. Collector Schofield's office will make every effort to have the prescribed forms in the hands of all firms and dealers in the very near future. He requested however, that if for any reason a firm or dealer does not receive the forms within the near future that requisition for these forms should be made at his office at Austin, Texas.

Mrs. Dellar Pharries, of Gause, was here Monday to visit her daughter, Mrs. Will Lake who is ill and under treatment at Newton Hospital. She was accompanied by her daughter, Mrs. Mae Fowler, of Gause.

## Dr. T. L. Denson Recently Named Cub Master; Succeeds E. B. Camp

A large number of Cub Scouts, Den Mothers and other scout leaders met recently according to Dr. T. L. Denson, Cub Master.

The meeting was held in the scout room at the old school building on West 3rd Street.

Enthusiasm and interest is at a high level among the scouts and leaders and the meeting was very successful.

According to Cub Master Denson, an important meeting is scheduled for Tuesday night, October 30, at the Simon-George Memorial Hall, at 7:30.

All Cub Scouts, Pack masters, Den Mothers and leaders are urged to be present.

All boys eight years of age are eligible to be cub scouts and are welcomed by the scout leaders to join immediately.

New Dens will be organized and old Dens re-organized at the meeting, Dr Denson announced. All scouts are to bring their mothers and fathers to the meeting. There will be a program arranged for the event that will be of interest to all the parents.

Harry Hahn, scout representative of Heart of Texas Council will participate in the ceremonies.

Dr. Denson announced that plans were being made to organize cub scouting among the colored citizens of the city with C. L. Sadberry in charge.

Dr. Denson recently took over duties as Cub Master and under his direction scout work should advance with a rapid speed. He is well known in Cameron and Milam County and has always taken an interested role in the civic work of the community. Scout leaders will be glad to know he has taken on this responsible position.

Dr. Denson succeeds E. B. Camp who has been active in scout work for a number of years.

## Buckholts, Sharp To Clash Friday Night

Buckholts and Sharp, six-man football teams will play on the Yoe High Athletic Field, Friday night, November 2, according to Mrs. Ruby Arledge, Superintendent of the Buckholts School.

This will be the second encounter for the two teams this season. The score for the first game was a 13-13 tie. Both teams are in good shape and a hard fought battle is anticipated.

Mrs. Ada Belle Kennon has returned from an extended visit with her daughter, at Downey, California.

## Yoelets To Meet Belton "B" Team In Good Game Tonight

The Yoelets and the Belton "B" team will meet at the Yoe High Athletic Field Thursday night, November 1, according to Coach Don Ross.

This will be a good battle as both teams are in good shape and

The Cameron Herald Thursday, November 1, 1951 fans in this area will no doubt enjoy seeing the first encounter of these teams this season. The game time has been set for 7:30.

Mrs. Fred Carr, Jr., of Rockport is a patient at Newton Memorial Hospital and is reported resting well.

"SERVING MILAM COUNTY"

EVER THRILL to the sight of a sabrewinged jet fighter—outracing the sound of its own engines as it knifes through the summer sky?

Whenever you see this exciting—and reassuring—spectacle, remember the crew chief you see here, crouched in the engine compartment of an F-84. Remember that it's men like him, with their patient tuning and tooling, their superb intelligence and skill, their devotion to your defense, who keep those jets in the air. Hornet-ready at an instant's notice to protect your family and you.

Remember also that defense is your job, too. And one of the most important ways you can do that job best is to buy U. S. Defense Bonds. For your bonds help keep America strong economically, just as the Air Force helps keep her strong militarily. And it's this combined strength that protects your town, your home, your right to work and prosper in peace. For your security, and your country's too, buy Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

★ ★ ★

The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you generally don't save at all. So go to your company's pay office—now—and sign up to buy Defense Bonds through the Payroll Savings Plan.

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own automatically goes on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's, too, buy U. S. Defense Bonds now!

1951 Milam County Peanut Crop Being Harvested; Yield Low

Milam 1951 peanut crop has been estimated around 2,500 acres according to Alva E. Sanders, PMA administrator.

Mr. Sanders who keeps a close check and observance of all agricultural activities in the county said that approximately 3,000 acres had been planted this year but due to the extreme drouth and other causes, peanuts in some areas of the county perished from the dry heat.

A large number of farmers have already begun harvest of their crop and the turn out this year will be relatively small as compared with former years. In both 1946 and 1947 Milam County produced lead a number of Central Texas counties in peanut production.

The showers that have occurred in the past few days will damage the peanuts and peanut hay considerably. Several farmers have indicated that they have peanuts plowed up and continued rain will bring about an almost total loss a bumper crop of peanuts and for the farmers.

Peanuts in the ground will start a new growth that cannot develop before frost falls.

Three Southwest Conference Tilts Scheduled Saturday

Humble Oil and Refining Co., football broadcasts on Saturday, November 3, will include three more contests in the wide-open Southwest Conference championship race, as well as a promising intersectional tilt.

Upset-minded Arkansas goes against the rugged Aggies from Texas A&M, Baylor draws TCU, and the red-hot annual conflict between SMU and the University of Texas tops off the Conference schedule. In addition to these, Humble will broadcast the Houston clash between the surprising young Rice

## Draft Calls For November, December Announced This Week

Married men without children will be affected principally when state draft boards order approximately 3,600 men for physical examinations in November and December.

First orders to local boards for the examinations will be placed in the mail Wednesday, Brigadier General Paul L. Wakefield, state Selective Service director, said today. These are the first physical examinations to be ordered since the past April, except in isolated cases.

The orders are designated to get married men without children examined as early as possible, in

compliance with official instructions from national Selective Service headquarters. First examinations will take place on November 5.

Eighteen hundred men are scheduled for examination in November and 1,800 in December. Examination dates scheduled for November are on the 5th, 13th, 26 and 27th. December dates scheduled are the 6th, 7th, 13th and 14th.

General Wakefield said that some of these men will be inducted in December and still more in January. He pointed out that, in many cases, these married men without children will be inducted ahead of single men who have been examined and acceptable for many months.

"It turns out this way," General Wakefield observed, "because the

law provides that men shall be inducted in order of age—the oldest first."

The state Selective Service director said he had no idea how many draft registrants are men with only dependent wives.

"We do know that we had 71,001 men with dependents at the end of August," General Wakefield said, "and at the end of September we had 69,610. From this we know that the local boards already have gotten under way on the job of reclassifying men with dependent wives alone as available for military service."

An average of 26 men per local board will be sent for the physical examinations in the November and December period.

## House Destroyed By Fire Thursday Morn

Fire destroyed a house in the colored residential section of the city around 10:30 A. M., Thursday October 25.

The house belonged to Louis Johnson. According to reports the house was not covered with insurance, however, a portion of the furniture and fixtures was covered by insurance.

Alonzo Colbert was living in the house at the time of the fire. The house was in a total blaze upon arrival of firemen.

The house next door which also belongs to Johnson was damaged slightly.

It was reported that approximately \$800.00 damage was caused by the fire.

## Former Yoeman Star In ROTC Signal Corps At Texas A&I College

Robert L. Holloway of this city has enrolled in the new ROTC Signal Corps unit at Texas A&I College for this semester.

Lt. Col. Leonard F. Walker, professor of military science and tactics, reported that 187 A&I men have joined the unit. This total includes two seniors, 11 juniors, 20 second year students, and 154 first year students.

A number of the first year men, however, are of sophomore standing. They are permitted by special arrangement to complete the four year course in three years. The upperclassmen either took their ROTC basic at some college or have had a year or more of active military service.

Upon completion of the course and graduation from A&I, these men will be commissioned.

## Moore's Shows Arrive Bigger and Better; Here Thru Saturday

Moore's Combined Shows arrived in Cameron Sunday and are now in operation. The show is located on the Boedecker lot in Santa Fe Town. Eight thrilling rides and four big shows are being offered as well as a number of fun booths.

The show is being sponsored by the American Legion and will be here through Saturday, November 3. The show is bigger and better this year and is one of the best shows in the Southwest. Go out and help the Legion boys.

Jones and Don Barton played on defense against Arkansas last year, while Ochoa got in only four minutes as a member of the punting platoon. Gib Dawson missed the game because of injury.

## Polio Continues To Take Heavy Toll, '52 Campaign Slated

An eighteen day old baby girl—born in an iron lung herself—came down with bulbar polio.

A Livingston yell leader—cheered on a football game one night—died of polio three days later.

A prominent mother of three was attacked by the virus and lost the fight.

Although California led all other states in emergency equipment required during the year, the National Foundation for Infantile Paralysis reported that Texas followed closely. By mid-October, the Lone Star State had received 62 life-giving respirators—shipped to hospitals by the March of Dimes organization.

As polio continued to take its toll in Texas, volunteer county officials of the NFIP—home from their regional pre-campaign planning meeting in Dallas—set gears in motion for the 1952 March of Dimes campaign.

Carroll Green, Jr., attended the Baylor-A&M game in College Station Saturday.

## Member Of Prominent Maysfield Family Buried At Little River

James Bruce Mayes, 41, passed away October 26, 1951, in New Orleans, La. He suffered a heart attack shortly before he died. He was born September 8, 1910 at Maysfield, Texas, son of the late Robert Bruce and Kittie Newton Mayes, who were pioneer residents of that community.

Mr. Mayes maternal grandfather was the late Rev. James Knox Polk Newton, who was a former minister at both the Cameron and Maysfield Presbyterian churches.

Maysfield was named after his grandfather Robert Bruce Mayes who was one of the first settlers in the community.

Mr. Mayes graduated from the Yoe High School in 1932 and completed a business course at the Tyler Commercial College the following year. He attended Tulane University where he received his certificate as a Certified Public Accountant.

For a number of years he was employed by the Affiliated National Hotels, serving for four years as income auditor at the Hotel New Yorker in New York City. He later resigned to accept a position as chief auditor at the De Soto Hotel in New Orleans.

Eight years prior to his death he became secretary of the J. B. Levert Land Company in New Orleans, the position he held at the time of his death.

He united with the Maysfield Presbyterian Church at an early age of which he was still a member at the time of his death. He was married in June 1935 to Miss Una Mae Richard of Lake Charles, La.

A short service was held Friday, October 26, at 3 P. M., at
